Check list for DASD(RA) study of Guard/Reserve facilities.

Control number: 49275 (A) Date: June 21, 1972

Description/identification (as listed):

Fort Douglas Training Site

Location (include ZIP code):

Ft. Douglas, Salt Lake City, UT 84010

Examination of facility made by (name(s)): LTC SCOTT, USMCR

Answer the following, YES or NO.

1. Was description/amount of property listed correctly?
(If NO, add to above and underscore corrections.) Yes
2. Was other property found in the area that was not listed on the lists furnished but should have been so listed?
(If YES, initiate separate listing, check list, and examination.) No
3. Is this property used exclusively by the Guard/Reserve?
(If YES, attach sheet with: total space - land, improvements - at site, list by Service(s) their respective space used, percentage of the total space used/shared, type of unit(s), number of personnel - separately, full time/part time - in each unit, number of days used per month by each unit, time by days of the week space is available for use and not being used, type of space.) Yes
4. Is this Guard/Reserve property in joint use and/or co-use?
(If YES, attach sheet with: total space - land, improvements - at site, a list of Service(s)/civilian users, their respective space used, percentage of the total space used/shared, type of unit(s), number of personnel - separately, full time/part time - in each unit/number of people employed by each civilian organization, number of days used per month by each unit/civilian organization, time by days of the week space is available for use and not being used, type of space.) No
5. Is this property used by the Guard/Reserve - same Service/joint use/co-use?
(If YES, attach sheet with: total space - land, improvements - at site, a list of Service(s)/civilian users, their respective space used, percentage of the total space used/shared, type of unit(s), number of personnel - separately, full time/part time - in each unit/number of people employed by each civilian organization, number of days used per month by each unit/civilian organization, time by days of the week space is available for use and not being used, type of space.) No
6. Examine and evaluate use to ascertain:
 - a. Requirement verified? Yes
 - b. Is this property adequate relative to requirement? Yes
 - c. Is there a shortage or overage of property relative to requirement? No
 - d. Can this requirement be met at another Defense activity? No
 - e. Can this requirement be met by use of other Federal property? No
 - f. Can this requirement be met at a civilian activity? No
 - g. Can another Defense activity be jointly located at this site? Yes
 - h. Can there be co-use of this property by civilian activities? Yes
 - i. If a portion of this property is considered excess to Defense requirements, is that portion suitable for recreation, park, green area, and/or domestic action use? No

(A NO answer to question 6.b. and each YES answer to one of the questions 6.c. thru 6.i. require more detailed responses. Use and attach additional sheets providing such responses. List each of such questions by number with applicable response. Each sheet attached shall be numbered at the top center, ring binder holes to the left. The next line shall contain the identifying control number and date.)

6b. & 6c. National Guard Bureau has given approval for the submission of Form DD 1390/1391 for construction of an annual training equipment pool maintenance building, 9,880 sf.

NM lands, US Forest Lands, and Duway Proving Grounds are used in addition to Camp Williams property to provide a variety of training sites.

6g. Other defense activities could be located at Camp Williams if the mission is compatible with the terrain and can be coordinated with present tenants. Additional buildings would need to be constructed.

6h. Camp William is presently in co-use.

U. S. Army Reserve Center

Location (include ZIP code):

633 South Locust, Pleasant Grove, UT 84062

Examination of facility made by (name(s)):

LTC SCOTT, USMC

Answer the following, YES or NO.

1. Was description/amount of property listed correctly?
(If NO, add to above and underscore corrections.) Yes
2. Was other property found in the area that was not listed on the lists furnished but should have been so listed?
(If YES, initiate separate listing, check list, and examination.) No
3. Is this property used exclusively by the Guard/Reserve?
(If YES, attach sheet with: total space - land, improvements - at site, list by Service(s) their respective space used, percentage of the total space used/shared, type of unit(s), number of personnel - separately, full time/part time - in each unit, number of days used per month by each unit, time by days of the week space is available for use and not being used, type of space.) Yes
4. Is this Guard/Reserve property in joint use and/or co-use?
(If YES, attach sheet with: total space - land, improvements - at site, a list of Service(s)/civilian users, their respective space used, percentage of the total space used/shared, type of unit(s), number of personnel - separately, full time/part time - in each unit, number of people employed by each civilian organization, number of days used per month by each unit/civilian organization, time by days of the week space is available for use and not being used, type of space.) No
5. Is this property used by the Guard/Reserve - same Service/joint use/co-use?
(If YES, attach sheet with: total space - land, improvements - at site, a list of Service(s)/civilian users, their respective space used, percentage of the total space used/shared, type of unit(s), number of personnel - separately, full time/part time - in each unit, number of people employed by each civilian organization, number of days used per month by each unit/civilian organization, time by days of the week space is available for use and not being used, type of space.) No
6. Examine and evaluate use to ascertain:
 - a. Requirement verified? Yes
 - b. Is this property adequate relative to requirement? No
 1. Is there a shortage or overage of property relative to requirement? Yes
 2. Can this requirement be met at another Defense activity? No
 3. Can this requirement be met by use of other Federal property? No
 4. Can this requirement be met at a civilian activity? No
 5. Can another Defense activity be jointly located at this site? No
 6. Can there be co-use of this property by civilian activities? Yes
 - c. If a portion of this property is considered excess to Defense requirements, is that portion suitable for recreation, park, green area, and/or domestic action use? No

(A No answer to question 6.b. and each YES answer to one of the questions 6.c. thru 6.i. require more detailed responses. Use and attach additional sheets providing such responses. List each of such questions by number with applicable response. Each sheet attached shall be numbered at the top center, ring binder holes to the left. Answer the following, YES or NO.

- | | |
|---|------------|
| 1. Is description/amount of property listed correctly?
(If NO, add to above and underscore corrections.) | <u>Yes</u> |
| 2. Was other property found in the area that was not listed on the lists furnished but should have been so listed?
(If YES, initiate separate listing, check list, and examination.) | <u>No</u> |
| 3. Is this property used exclusively by the Guard/Reserve?
(If YES, attach sheet with: total space - land, improvements - at site, list by Service(s) their respective space used, percentage of the total space used/shared, type of unit(s), number of personnel - separately, full time/part time - in each unit, number of days used per month by each unit, time by days of the week space is available for use and not being used, type of space.) | <u>Yes</u> |
| 4. Is this Guard/Reserve property in joint use and/or co-use?
(If YES, attach sheet with: total space - land, improvements - at site, a list of Service(s)/civilian users, their respective space used, percentage of the total space used/shared, type of unit(s), number of personnel - separately, full time/part time - in each unit/number of people employed by each civilian organization, number of days used per month by each unit/civilian organization, time by days of the week space is available for use and not being used, type of space.) | <u>No</u> |
| 5. Is this property used by the Guard/Reserve - same Service/joint use/co-use?
(If YES, attach sheet with: total space - land, improvements - at site, a list of Service(s)/civilian users, their respective space used, percentage of the total space used/shared, type of unit(s), number of personnel - separately, full time/part time - in each unit/number of people employed by each civilian organization, number of days used per month by each unit/civilian organization, time by days of the week space is available for use and not being used, type of space.) | <u>No</u> |
| 6. Examine and evaluate use to ascertain: | |
| a. Requirement verified? | <u>Yes</u> |
| b. Is this property adequate relative to requirement? | <u>Yes</u> |
| c. Is there a shortage or overage of property relative to requirement? | <u>No</u> |
| d. Can this requirement be met at another Defense activity? | <u>No</u> |
| e. Can this requirement be met by use of other Federal property? | <u>No</u> |
| f. Can this requirement be met at a civilian activity? | <u>No</u> |
| g. Can another Defense activity be jointly located at this site? | <u>No</u> |
| h. Can there be co-use of this property by civilian activities? | <u>No</u> |
| i. If a portion of this property is considered excess to Defense requirements, is that portion suitable for recreation, park, green area, and/or domestic action use? | <u>No</u> |

(A No answer to question 6.b. and each YES answer to one of the questions 6.c. thru 6.i. require more detailed responses. Use and attach additional sheets providing such responses. 1. The proportion of work time spent by the worker on five different types of work with different types of equipment, tools, and instruments; 2. the proportion of the total space used during type I activities, during type II activities, separately, full time/part time, and during other activities; 3. the proportion, each unit, time by days of the work time, available for use and not bound used, type of space).

the following: (a) property owned, used and/or consumed; (b) improvements made with respect to land, improvements - at site, improvements - off site; (c) building space used; (d) percentage of building space used; (e) type of work; (f) number of personnel; (g) square feet of space; (h) number of people employed by each civilian community; (i) number of days of work per month by each unit/civilian; (j) number of days per month of the work space is available for use and not used for other purposes.

1. In the property, identify the "land" and "service" - same service-point used/co-used
2. If not, attach sheet with the "land" space - land, improvements - at site,
land, "service" - with area, their respective space used, percentage
3. In the total, space and land type, find out number of personnel - org-
anization, time, type, time - it is not number of people employed by each
civilian organization, number of days used per month by each unit/civilian
organization, time by type of the work space - available for use and not
being used, type of space.

6. *Examine and evaluate* – a 4-point Likert scale.

1. How many people were involved in the case?

1. In this report, adequate relative to requirements.

11. Is there a hierarchy or ranking of property relative to requirements?

4. Can this be related to \mathbf{P}^1 if another is some activity

... can this requirement be met by use of other Federal property?

Is this then requirement be put at a civilian activity?

1. Is any other defense activity or facility located at this site?

b. Can there be co-use of the property by civilian activities?

11. If a portion of this property is considered excess to Defense requirements, is that portion suitable for recreation, park, green area, and/or domestic action use?

6.A. The answer to question 6.A., and each 7.A. answer to one of the questions 6.C. through 6.E., require more detailed responses. For each and attach additional sheets providing such responses. List each of such questions by number with applicable response. Each sheet attached shall be numbered at the top center, ring binder holes to the left. Description/identification (as listed):

National Guard Armory

Location (include ZIP code):

100 W. 4th No, Bountiful, UT

Examination of the property by: LTC SCOTT, USMC

Answer the following questions:

1. Was description and/or property listed correctly (If No, add to above and underline corrections)? Yes
2. Was other property listed in the area that was not listed on the lists furnished but should have been? (List all, include separate unit, use, and examination) No
3. Is this property used exclusively by the land reserve? (If Yes, attach sheet with: total space - land, improvements - at site, list of services - at site, their respective space used, percentage of the total space used, number of personnel - separately, full time, part time - separately, number of days per month by each unit, civilian organization, time by day of the week space available for use and not under used, type of space.) Yes
4. Is this land reserve property shared with other units? (If Yes, attach sheet with: total space - land, improvements - at site, list of services - at site, their respective space used, percentage of the total space used, number of personnel - separately, full time, part time - separately, number of days per month by each unit, civilian organization, number of days per month by each unit, civilian organization, time by day of the week space available for use and not under used, type of space.) No
5. Is this property used by the land reserve - use service point use - (use of this, attach sheet with: total space - land, improvements - at site, list of services - at site, their respective space used, percentage of the total space used, number of personnel - separately, full time, part time - separately, number of days per month by each unit, civilian organization, number of days per month by each unit, civilian organization, time by day of the week space available for use and not under used, type of space.) No
6. Examine and evaluate use of the property:
 - a. Is the property used exclusively for the purpose? Yes
 - b. Is the property used partially for the purpose? No
 - c. Is the property used for the purpose of the purpose? Yes
 - d. Is the property used for the purpose of the purpose? No
 - e. Is the property used for the purpose of the purpose? No
 - f. Is the property used for the purpose of the purpose? No
 - g. Is the property used for the purpose of the purpose? Yes
 - h. Is the property used for the purpose of the purpose? Yes
 - i. Is a portion of this property used exclusively for defense requirements, or that portion suitable for recreation, park, green area, and/or domestic other use? Yes

(A "No" answer to question 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, SCOTT, USMCR

Examination of facility made by (name(s)):

Answer the following, YES or NO.

1. Was description/amount of property listed correctly?
(If No, add to above and underscore corrections.) No
2. Was other property found in the area that was not listed on the lists furnished but should have been so listed?
(If YES, initiate separate listing, check list, and examination.) No
3. Is this property used exclusively by the Guard/Reserve?
(If YES, attach sheet with: total space - land, improvements - at site, list by Service(s) their respective space used, percentage of the total space used/shared, type of unit(s), number of personnel - separately, full time/part time - in each unit, number of days used per month by each unit, time by days of the week space is available for use and not being used, type of space.) Yes
4. Is this Guard/Reserve property in joint use and/or co-use?
(If YES, attach sheet with: total space - land, improvements - at site, a list of Service(s)/civilian users, their respective space used, percentage of the total space used/shared, type of unit(s), number of personnel - separately, full time/part time - in each unit/number of people employed by each civilian organization, number of days used per month by each unit/civilian organization, time by days of the week space is available for use and not being used, type of space.) No
5. Is this property used by the Guard/Reserve - same Service/joint use/co-user?
(If YES, attach sheet with: total space - land, improvements - at site, a list of Service(s)/civilian users, their respective space used, percentage of the total space used/shared, type of unit(s), number of personnel - separately, full time/part time - in each unit/number of people employed by each civilian organization, number of days used per month by each unit/civilian organization, time by days of the week space is available for use and not being used, type of space.) No
6. Examine and evaluate use to ascertain:
 - a. Requirement verified? Yes
 - b. Is this property adequate relative to requirement? Yes
 - c. Is there a shortage or overage of property relative to requirement? No
 - d. Can this requirement be met at another Defense activity? No
 - e. Can this requirement be met by use of other Federal property? No
 - f. Can this requirement be met at a civilian activity? No
 - g. Can another Defense activity be jointly located at this site? No
 - h. Can there be co-use of this property by civilian activities? Yes
 - i. If a portion of this property is considered excess to Defense requirements, is that portion suitable for recreation, park, green area, and/or domestic action use? No

(A No answer to question 6.b. and each YES answer to one of the questions 6.c. thru 6.i. require more detailed responses. Use and attach additional sheets providing such responses. List each of such questions by number with applicable response. Each sheet attached shall be numbered at the top center, ring binder holes to the left. The next line shall contain the identifying control number and date.)

- 6h. Classrooms and assembly hall are available weekdays, evenings, and three of four weekends per month as coordinated with the NG unit. This armory is presently in co-use.

(check list for DASD(RA) study of Guard/Reserve facilities.)

Control number: ANG USEB (G)

Date: June 8, 1972

Description/identification (as listed):

Utah Air National Guard Base

5 acre Radar Site added

Location (include ZIP code):

Selt Lake City Municipal Airport, Salt Lake City, Utah 84116

Examination of facility made by (name(s)): LTC SCOTT, USMCR

Answer the following, YES or NO.

1. Was description/amount of property listed correctly?
(If NO, add to above and underscore corrections.) No
2. Was other property found in the area that was not listed on the lists furnished but should have been so listed?
(If YES, initiate separate listing, check list, and examination.) No
3. Is this property used exclusively by the Guard/Reserve?
(If YES, attach sheet with: total space - land, improvements - at site, list by Service(s) their respective space used, percentage of the total space used/shared, type of unit(s), number of personnel - separately, full time/part time - in each unit, number of days used per month by each unit, time by days of the week space is available for use and not being used, type of space.) No
4. Is this Guard/Reserve property in joint use and/or co-use?
(If YES, attach sheet with: total space - land, improvements - at site, a list of Service(s)/civilian users, their respective space used, percentage of the total space used/shared, type of unit(s), number of personnel - separately, full time/part time - in each unit/number of people employed by each civilian organization, number of days used per month by each unit/civilian organization, time by days of the week space is available for use and not being used, type of space.) Yes
5. Is this property used by the Guard/Reserve - same Service/joint use/co-use?
(If YES, attach sheet with: total space - land, improvements - at site, a list of Service(s)/civilian users, their respective space used, percentage of the total space used/shared, type of unit(s), number of personnel - separately, full time/part time - in each unit/number of people employed by each civilian organization, number of days used per month by each unit/civilian organization, time by days of the week space is available for use and not being used, type of space.) No
6. Examine and evaluate use to ascertain:
 - a. Requirement verified? Yes
 - b. Is this property adequate relative to requirement? Yes
 - c. Is there a shortage or overage of property relative to requirement? No
 - d. Can this requirement be met at another Defense activity? No
 - e. Can this requirement be met by use of other Federal property? No
 - f. Can this requirement be met at a civilian activity? No
 - g. Can another Defense activity be jointly located at this site? Yes
 - h. Can there be co-use of this property by civilian activities? No
 - i. If a portion of this property is considered excess to Defense requirements, is that portion suitable for recreation, park, green area, and/or domestic action use? No

(A NO answer to question 6.b. and each YES answer to one of the questions 6.c. thru 6.i. require more detailed responses. Use and attach additional sheets providing such responses. List each of such questions by number with applicable response. Each sheet attached shall be numbered at the top center, ring binder holes to the left. The next line shall contain the identifying control number and date.)
